Exclusion of Ill Children

In the event that your child becomes ill ("ill" defined as a temperature of 100°F and/or contagious symptoms such as vomiting, flu-like symptoms, pink-eye, contagious rash, etc), they may not return until they are symptom free for 24 hours. They must also be fever free for 24 hours, without the use of fever reducers. If your child becomes ill during program hours, you will be notified and requested to pick up your child immediately. This will help us minimize the spread of illness throughout our preschool and building. Please call the preschool office, 402.339.9861 and leave a message, to notify us when your child will be absent.

Sarpy YMCA Preschool Parent Handbook

Welcome

Welcome to the Sarpy YMCA Preschool! We are excited that you are considering our school or have already made the decision to enroll. This handbook was created to help you understand some of the most important policies and procedures in our preschool and how you can help your child succeed this year.

Preschool Curriculum and calendar:

Here at the Sarpy YMCA preschool- We offer *Creative Curriculum GOLD®*. With *Creative Curriculum GOLD®*, we learn through play, sensory, discovery, and imagination. A typical school day involves rotating through our five centers: Library, Math, Dramatic play, Art and Gym/Pool. We follow the Papillion-La Vista School District calendar, which means we observe their breaks, holidays and snow days.

Gold Standard Assessments:

Each student will be assessed 3 times during the school year according to the *GOLD* Teaching Strategies. We will also host parent/teacher conferences twice a year to discuss the assessments and your student's progress in preschool. In addition to these formal progress reviews, we are happy to meet informally anytime to discuss your child's needs. If we have a student who needs more attention in a certain area, the teacher will work alongside the parent in a partnership to help identify ideas and solutions to ensure that the student has a successful year in preschool.

Spectrum Math:

Spectrum Math provides specific support in skills and standards that your child is learning in the classroom. They will be learning skills such as comprehensive, age-appropriate activities to prepare for the year ahead. Subject-specific practice to reinforce classroom learning. Skill-specific practice to enrich and enhance educational concepts and preparation titles to support test taking skills.

Handwriting Without Tears:

Handwriting Without Tears® (HWT) is a fun way to learn our letters and numbers. Through HWT students learn about "Mat man", "BIG line", "little line", "BIG curve" and "little curve"—this program is fun-to-teach and easy to learn, making the mastery of handwriting a joyful experience for all involved. With this program in place, your child will start to know their letters and numbers within the first month of school!

Themed Lesson Plans:

The Sarpy YMCA preschool offers weekly themes and incorporates the theme into our daily activities, crafts, stories and more. We go on treasure hunts, look for bugs, ride in Santa's sleigh, and find the classroom leprechaun...just to name a few of the fun activities we do during various theme weeks! We believe that children learn best through play and imagination.

What make the Sarpy YMCA Preschool Special?

Here at the Sarpy YMCA Preschool we have two great assets that no other preschool in the area offers: A full size gymnasium and zero-depth-entry pool. Having these two great features encourages healthy lifestyles for our preschoolers and allows us to extend our learning opportunities outside of the classroom. We have Physical Education (PE) every week and swim-time as a class at least once a month. Whether for a special swim day or just a daily visit, we encourage parents to get involved in any way that their schedule allows! Parent volunteers are needed every time we swim as a class. We need two parent volunteers, per class, to swim on scheduled days.

Preschool Swim Days:

MWF Morning- 11:00-11:30am – Wednesday 1x per month
MWF School Day- 2:00-2:30pm- Wednesday 2x per month
T/TH Morning- 11:00-11:30am – Thursday 1x per month

T/TH Afternoon- 2:00-2:30pm- Thursday 1x per month

Preschool Gym Days:

MWF Morning and School Day- Every Wednesday
T/TH Morning, Afternoon, and School Day- Every Thursday

State Licensing

We offer licensed preschool programs which are monitored by the Nebraska DHHS State Licensing Department. Our childcare is required to meet health, safety and programming standards which include First aid, CPR, and additional annual training. All employees of licensed centers are required to submit a criminal background check and must meet specific education, experience and/or training expectations to achieve their teaching qualifications.

Ratios:

4-5 year old Classes: Whether in the 3 day per week or 5 day per week program, this preschool age group operates under the 12:1 student-to-teacher ratio

3 year old Classes: This preschool age group has the opportunity to begin classes on a 2-day per week schedule with a 10:1 student-to-teacher ratio

Our class ratios, in combination with our Creative Curriculum and themed programming, give our teachers 1-on-1 time with each student during center-time to help them learn and grow.

Registration: \$60:

Our registration fee is \$60, which guarantees your enrollment in the registered class, is due at the time of enrollment. This fee includes a class shirt which will be worn on the first day of school, on all field trips, and on other special days, listed on the class calendars.

Preschool Payment Agreement:

All preschool participants will be set up with automatic payments at time of registration. Payments will be drafted on the 25th of the current month for the future month's preschool dues.

Preschool payments are always taken one month in advance. Payments are due each month in full. A maximum of two days can be attended if you have not paid your monthly payment. If payment has not been made by the third day your child will not be able to attend until the payment is made. If you need to stop your preschool payments we need to be notified in writing by the 25th of each month.

Late Pick-up Policy

Preschool Dismissal is at 11:30am or 2:30pm (depending on which class your child attends), we will give you until 11:35 or 2:35 to pick up and sign out your child. After that time we will begin to charge you 1 dollar per minute that you are late. This late fee will need to be paid before leaving the building the day of the late pick-up. We understand that things come up and sometimes you are running late, we would greatly appreciate a phone call during those times.

Discipline

We use positive redirection to deal with all student issues. We separate the child from the situation to get them focused on something else while giving them space to think more clearly and to console them if they are upset. This designated cool-down space is in the classroom, but in an area where the child has the opportunity to have space to calm down. When this child is ready (typically no more than 1 minute x Child's age) the teacher talks to them about their choices and reintroduces them back into the group.

Sick Policy:

In the event that your child becomes ill ("ill" defined as a temperature of 100°F and/or contagious symptoms such as vomiting, flu-like symptoms, pink-eye, contagious rash, etc.), we ask that you keep your child home for at least 24 hours after all symptoms have subsided. This will help us minimize the spread of illnesses throughout our preschool and building. Please call the preschool office at (402)339-9861 and leave a message, to notify us when your child will be absent.

Bathroom Policy:

It is our expectation that all students enrolled in our preschool are potty trained by the first day of school. In the event that your child was to have a bathroom accident during the school day the teacher and preschool director or other staff will take the child to the restroom and allow your child to change their clothes. Your child's soiled clothes will be put in a bag, in their backpack, and a phone call to parent/guardian. Please provide a change of clothes for your child that stays in your child's backpack at all time for incidents like this.

Snacks/ Lunch:

Parents are expected to participate in providing classroom snacks for their student's class. Your child's snack schedule will be on a 10-12 school-day rotation. Snack day assignments will be noted on a monthly calendar. Per state regulations, snacks for preschool need to contain 2 of the 4 major food groups. If your child is enrolled in our School day option, the parents are required to pack a healthy lunch each day for their child. Lunches must contain 3 of the 4 major food groups.

What to bring to preschool:

Your child will receive a monthly calendar, on this calendar you will find the important information about what is going on each day/week/month in your child's class.

- **Letter Box:** On the first day of class each week, your child will be allowed to bring one item from home. This item needs to be an item that reflects the *letter of the week* which is provided on the monthly calendar. In the event that there is not a special letter of the week (i.e. holiday weeks or for special occasions) we ask that the child not bring an item from home. We ask that students not bring toys from home outside of these dates because they can become too distracting for other students.
- **Apparel:** Students should wear socks and tennis shoes every day. This ensures they are safe and comfortable throughout the day and can participate in all scheduled activities. Sandals, Flip-Flops, etc. are not appropriate shoe attire at Preschool.
- **School Supplies:** In an effort to keep our preschool affordable for all and reduce some of our overhead costs we ask that each preschooler bring the following supplies with them the first week of school:
 - 1 boxes of tissues
 - 5 glue sticks
 - 1 box of 24 crayons
 - 1 box of play-dough
 - 1 pack of markers
 - 1 container of Clorox wipes
 - 1 package of multicolored construction paper

Field Trips:

Preschoolers will go on 2 field trips a year. In the fall we go to Gifford Farm and in the spring we go to the Henry Doorly Zoo. Both field trips will require parent transportation, due to state regulations and YMCA Policies there will be no transportation provided by the Sarpy Y Preschool.

Preschool Holiday Parties (& Parent Volunteers needed)

We will celebrate 4 holidays this year as your child attends preschool via a Holiday party and corresponding themed activities: Halloween, Thanksgiving, Christmas, and Valentine's Day. All of these parties are made possible through parent support – volunteering and participation. Sign-ups will be posted 2 weeks prior to the party by your child's sign in books. We are excited for you to get involved! Parents are also welcome to visit or volunteer in the classroom on "regular" classroom days as well.

Programs:

- **Christmas Program:** Each school year we will host a Christmas program for all of our preschoolers and families. We will perform several songs together as a whole preschool and have refreshments afterwards.
- **Preschool Graduation:** Our preschool graduation is a brief ceremony that celebrates our preschoolers who are ready to transition into Kindergarten. Graduation will be held in May Location TBD.

This concludes the Sarpy Community YMCA Preschool Program handbook information. This is not intended to be all-inclusive, but does highlight the key need-to-knows about the program. Below you will find additional information about other YMCA programs that you may wish to have your child participate in. We are so excited that you have selected us to assist in the growth and development of your child through our program.

Other YMCA Programs

Needing something for them to do when they don't have class?

Our Early Education Department at the Sarpy YMCA offers many classes that will keep your child active throughout the year. In the fall and winter months, we offer Messy Art Classes, Gym and Swim, Little Dance, and Tumbling. Please look in your child's back-packs at the end of each month for a flyer from our Early Education Department.

Wanting to add a little more fun and activity to your child's day?

We also offer preschool swim lessons, through our aquatics program. These lessons are **only** offered to the children enrolled in our Preschool Program. We offer Monday/Wednesday and Tuesday/Thursday classes for whichever class your child attends.
