## Class Descriptions

**Little Dance** – Designed to give an overall introduction to dance through structured creative movement.

**Splat** – What goes splat? Come join us for a class filled with everything ooey and gooey. We will be messy and have lots of fun in this art class!

**Terrific Two's & Three's** – A preschool readiness class. Get your child ready with this class designed for our youngest preschoolers. We will work on your child's social, cognitive and language skills along with large and small motor development. Themes, structured play, music, movement and story time are included.

**Tumbling** – Children will be introduced to the basics of tumbling and will learn basic gross motor skills.
